

Year 5 Home Learning

This week the written piece of work is for Conceptual Learning, which will need to be completed on poster paper and the non written Maths task will be to practice your Timetables Rockstars in preparation for the upcoming Gems Tournament (see flyer attached) .

Due Date: Sunday 22/09/19

Pathways of the World – Entry Point

One of the fantastic things about the UAE is that many of us have migrated here from other parts of the world. As part of our topic this term, we are going to look at the reasons behind why people migrate and what makes Dubai a good place to live.

This week you need to design a poster about where you are from. If you were born in Dubai, then display on your poster where other members of your family are from.

This might be more than one place, which would be super!

In your poster, include the following things:

Where you and your family are from

5 facts about your home country/countries

3 pictures (printed or drawn) of your home country

What your favourite thing about your home country is

Why you moved to Dubai

Feel free to be creative and colourful , as we want to display them in the classroom!
