

## **Maths Online Home Learning Task:**

We will be participating in the Mangahigh and COBIS Maths Challenge 2019, taking place from the 18–29th November. You have been given passcodes to log onto the Mangahigh website (<https://app.mangahigh.com/en/login/student> ). A number of tasks have been set by your teacher for you. Complete your choice of three (or more!) assignments. Remember the competition starts on Monday, so get practicing and good luck!

The poster features the Mangahigh and COBIS logos at the top. The central graphic shows two cartoon characters, one with a blue headband and one with a red headband, standing on a globe. The text 'MANGAHIGH & COBIS Maths Challenge 2019' is prominently displayed. Below the characters, the dates '18th November -29th November' and the call to action 'Join the competition!' are shown, along with the URL 'competition.mangahigh.com/cobis2019'. At the bottom, three Amazon vouchers are listed for 1st, 2nd, and 3rd-5th place, with values of \$500, \$300, and \$200 respectively. A gold medal icon is also present, indicating that students earning over 200 points will win a real medal. The Mangahigh logo and website information are at the very bottom.
