

WALT: Act in ways that demonstrate what it means to be thoughtful and show consideration for others

sewa day

SEWA (which in Sanskrit means 'selfless service') Day is today ... October 6th!

<https://sewaday.org/>

This week's optional Home Learning task is to carry out an act of thoughtfulness to encourage us all to think more about others around us (and honour Sewa Day of course).

This could be:

- creating a card that shows appreciation and thanks for someone who helps you in your life or members in our JPS community
- Donating your time to help someone
- Helping the environment

A HELPING HAND

**CARING FOR
OTHERS**

BEING SUSTAINABLE

Do:

- Think about specific examples to show how thoughtful your ideas/actions are.
- Bring in a photo/ card to be delivered/ reflection on what you did, so we can share with others and also pop in your Moral Education learning record.
 - Remember that the focus is to show consideration for others.

Enjoy! 😊
