

Year 5 Home Learning

| Year Group/Class | Date 14.4.19 |
|------------------|--|
| Year 5 | Given: Sunday 14 th of April Due: Sunday 21 st of April |

Your Tasks are:

Maths

Look at the composite shapes on the attached sheet and choose either the do, it use it, or own it activity to complete. You will firstly need to find the missing lengths of each shape before working out its perimeter and area.

You can write your answers on the sheet and then stick it in to your maths home learning book.

English

When was the last time you did an AR quiz? You need to aim to read an entire book within a two week time period. See if you can complete at AR quiz at some point this week.

| The objectives you will be achieving are | |
|--|--|
| English | Maths |
| <ul style="list-style-type: none"> - Can you read a library book either to yourself or out loud to an adult? - Can you answer multiple choice questions based on what you have read? | <ul style="list-style-type: none"> - Can you work out the missing lengths of different composite shapes? - Can you work out the perimeter of different composite shapes? - Can you work out the area of different composite shapes? |
| ICT | |
| <ul style="list-style-type: none"> - Can you complete an AR quiz online? | |

Feedback on your Home Learning:

Tell your teacher what you thought of these Home Learning Tasks and how well you thought you did. You can do this with smiley faces, traffic light colours or a message at the end of your Home Learning to your teacher.
