

Year 5 Home Learning

Year Group/Class	Date 21.4.19
Year 5	Given: Sunday 21 st of April Due: Sunday 28 th of April

Your Tasks are:

Spelling
This week we have a new list of spellings, try to use some of the suggested activities to learn how to spell each word.

Concept Curriculum
Please see the attached sheet for more information about your learning task for concept curriculum.

Maths
Spend at least 20 minutes on Timestable Rockstars to try and improve your score. Knowing your tables will really help with the fraction, decimal and percentage work we are currently doing in class.

The objectives you will be achieving are	
English	Maths
<ul style="list-style-type: none"> - Can you consider that different people have different perspectives? - Can you explain how people can feel differently about the same event? - Can you write from a different perspective? - Can you explain how different perspectives can cause conflicts? 	<ul style="list-style-type: none"> - Can you improve the speed of your tables recall?
ICT	
<ul style="list-style-type: none"> - Can you use a device to help you improve your TT rock star score? 	

Feedback on your Home Learning:

Tell your teacher what you thought of these Home Learning Tasks and how well you thought you did. You can do this with smiley faces, traffic light colours or a message at the end of your Home Learning to your teacher.
