

## Year 5 Home Learning

Year Group/Class	Date 28.4.19
Year 5	<b>Given:</b> Sunday 21 <sup>st</sup> of April <b>Due:</b> Sunday 5 <sup>th</sup> of May

### Your Tasks are:

#### Maths

There are **three** tasks on MyMaths for you to complete this week. Each task is based on something that we have previously completed in class. **Please make sure you achieve a score of 80% or above** on each of the tasks. If you do not achieve this score, please have another go at the task. **If you have tried three times and are still not able to achieve this score, please ask your teacher for help before Sunday.**

#### English

Have you completed an AR test recently? Aim to complete your library book this week and log on to take the AR quiz on what you have read.

The objectives you will be achieving are	
English	Maths
<ul style="list-style-type: none"> <li>- Can you read a book from the library as carefully as you can using your bookmark to answer some questions to show your understanding of what you have read?</li> <li>- Can you answer AR quiz questions to demonstrate your understanding of what you have read?</li> </ul>	<ul style="list-style-type: none"> <li>- Can you convert different measures?</li> <li>- Can you recognize imperial and metric units of measure and convert between the two?</li> <li>- Can you read units of mass?</li> </ul>
ICT	
<ul style="list-style-type: none"> <li>- Can you use a device to help you improve your TT rock star score?</li> </ul>	

### Feedback on your Home Learning:

Tell your teacher what you thought of these Home Learning Tasks and how well you thought you did. You can do this with smiley faces, traffic light colours or a message at the end of your Home Learning to your teacher.
